

## From Our Pastor's Heart

"The best proof that Christ has risen is that He is still alive. And for the immense majority of our world, the only way of seeing Him alive is for us Christians to demonstrate the love of Christ to others."

Louis Evely

As Easter approaches this year, what is it that others see in you? Do they see a hard worker or perhaps a devoted mother? Maybe a student or even a Nascar fan? Of all the things that others see in us, most importantly, do they see Christ? The empty tomb is proof of the resurrection. Jesus is alive and He is still knocking on the door of the hearts of men and women. His primary way of accomplishing this goal is through His own people.

Who do you know that needs the Love of Christ? Make a commitment now to personally show them His love with your own life !!! *Pastor Chuck*
