

SCOTLAND MINISTRIES

DAN AND MEL PIPER

A MINISTRY OF COLUMBUS MBC

JUNE 2010

Pictures of our outreach with Brother Jarrod Foster in Mt. Pleasant Michigan are on the back. We had a great time and great fun even though Mel ended up with a bursting headache. I think she just was not drinking enough water, and got a little overheated. 200+- houses visited, several follow-ups for Jarrod. God is Good! Please pray for this young ministry that they will be able to reach those in the community.

TAKING ADVANTAGE

I have been blessed to finish another year of seminary.

How can something be that hard and yet be so fulfilling?

I am anxiously waiting for instructions for one more year of classes. I am ready to get started and get even more education before departure.

HOW IMPORTANT IS THE FIGHT?

Just recently, I received a message from a friend who has been a Missionary to Scotland through an independent Baptist Church. He has been back in the states on medical leave, trying to find out what is causing his wife to be sick. Good news is it turned out to be something simple, bad news is it took eighteen months and a trip to the Mayo clinic. Because he has been gone for so long he now has to do the very same paperwork as I have to do. He does not have anyone on the field who can do this paperwork for him, as we do, in Brother Alvin.

In order for him to get in, he has to have a local Church in Scotland to be his connection to getting back in. They can then tell him how to do God's work and they oversee all of his funding. He has been praying to see just where God will be leading him next. When God allows this paperwork to get processed and approved, it will mean that the ABA will continue to have an avenue into the UK. Please continue to pray for all of us.

MELS KORNER It has been a busy month. I help with the "G.R.O.W" ministry a couple times each month, when we are in Columbus. Papa Piper has been picking lots of berries from his garden, and we have been helping him. One of my dear friends had a bad fall and broke both her wrist. Please keep Miss Frannie in your prayers. We travel to appointments in between all the other things going on too. We were also blessed to go to Michigan this month to help brother Jarrod with outreach, for the new Mission in Mt Pleasant. We pray for God's Blessings for this new ministry work. We thank the Lord for all of you who continue to be a part of our support and prayer team. Pray for us as we wait for the paperwork to be finished. Love, Mel
